

Dear Artists of Spartanburg County,

Something exciting is happening in Spartanburg County in the Spring of 2023!

“Spartanburg Open Doors - Studio Tour” will be a long-awaited “open studio” weekend event that will showcase the local artists of Spartanburg County in their working studio spaces. This plans to be an exciting opportunity for artists to open their doors to the public and invite visitors and collectors to come view their artwork, learn about the creative process, and purchase work for sale.

This event is the first of what we hope will be an annual tour that helps to introduce the amazing, hard-working artists of this community to the public. Because this will be a large undertaking, the following arts organizations are collaborating to make this happen:

[Artists Collective | Spartanburg](#), [Artists' Guild of Spartanburg](#), [Chapman Cultural Center](#), and the [Spartanburg Art Museum](#).

In conjunction with this event the Artists Collective | Spartanburg will host a special exhibit of the participating artists in the Solomon Gallery during March and April of 2023, and a reception will be held to celebrate the event. Additional details will be available soon.

We ask that if you are interested in participating, please go online and complete our informational survey by marking “YES” at: <https://exhibitions.artistscollectivespartanburg.org/opendoors-interest/>

Your response and contact info will be put in our database so that we can send you upcoming information and details about the event. Please don't delay! We want to hear from our local artists so that we can make this a success!

We are looking forward to hearing from you. Please feel free to contact us if you have any questions,

Sincerely,

Beth Regula
